

Feast of Tabernacles 2010

“And it shall come to pass, that every one that is left of all the nations which came against Jerusalem, shall even go up from year to year to worship the King, The Lord of Hosts, and to Keep the FEAST OF TABERNACLES.”

WELCOME

On behalf of all of the ministry, and the support team of Ministries International, let me welcome all of you to the Feast of Tabernacles. It is the highlight of the year from the church. For many, it is the only time where people can get away from the hustle and stress of this life to relax and enjoy life with brothers of like mind. For others, it will be a time of trying faith, not knowing if they will have a job when they return home.

When you consider all the news and events unfolding daily before our very eyes, you cannot help but to wonder how many more Feasts God is going to give us before we all meet together with our elder brother in Jerusalem.

More and more eyes around the world are focusing on Jerusalem these days. Especially with the anticipation of the delivery of the new S-300 long range guidance system. The world waits with anxious concern of the pre-emptive action (strike) Israel might take to prevent the continual build up of its nuclear capability.

It's not hard to imagine some of the possible scenarios that are shaping up that will fulfill Biblical prophecy found in Luke 21:20 "And when ye shall see Jerusalem compassed with armies, then know that the desolation thereof is nigh."

The upcoming year is shaping up to be a promising year for Ministries International. We've been blessed to reach new potential converts to the truth. We've been adding new names, and filling new request from our outreach every week. During the past two years the income has remained stable and has recently seen an increase of funds.

Our television program is finally up and running, still needs work, but it is getting much better. The results of the first program was very uplifting and encouraging. In the first two weeks of the first program, we received 4,905 viewers. They came from 48 countries, and just over 300 cities in the United States. We even had one request for someone looking for a church to meet with in her area.

Special thanks to all of you who have been patient and supportive, during our founding years. Thanks to your support, and God's blessings the future looks promising and hopeful. Have a great Feast, and may God bless all of you for all you do.

Tom Kerry**

Mark wanted to praise God in musical worship and write songs that the brethren could listen to as a form of meditation. The songs have story lines that closely follow the scriptures. It is the hope of the composer that these, and future songs, will give the listener "thoughts to ponder" as they listen to the music.

Special Feast Fund Raiser

For the very first time, we are pleased to be able to offer this special DVD set of all five of the "Satan's Most Wanted Series." It has long been our desire to present our members with quality items that you could share with others who may show interest in God's Holy Word. This is our very first item.

We have a two fold purpose in offering this project. First, to give our members a professional product to share with others, and second, hopefully inspire you to help raise funds to offset the increase in cost of reaching new potential members.

They are "not for sale." We are stepping out on faith that you will be inspired to offer a donation, help grow the church, and help spread the Word.

Coffee and Donuts

Come early for the fellowship and enjoy some coffee and donuts. Everyday the youth will be serving coffee and donuts approximately one hour before services. Over the years this has become an excellent opportunity for our youth to serve at the Feast, and it also gives them an opportunity to raise funds for a special feast activity. On the Sabbath and Holy Days the coffee is furnished free of charge, the youth's way of giving something back. Come out early and help the youth with a successful year again at the Feast.

Psalm 133:1 "Behold, how good and how pleasant it is for brethren to dwell together in unity! 2 It is like the precious ointment upon the head, that ran down upon the beard, even Aaron's beard: that went down to the skirts of his garments; 3 As the dew of Hermon, and as the dew that descended upon the mountains of Zion: for there the LORD commanded the blessing, even life for evermore."

Counseling and Baptism

Many members don't have a minister to counsel with at their local congregations. Because of that each of the Feast sites will have a minister available daily to offer counseling is you should need it. Additionally, each site makes arrangements to be able to baptize those who have counted the cost .
