And it shall come to pass, that every one that is left of all the nations which came against Jerusalem, shall even go up from year to year to worship the King, The Lord of Hosts, and to Keep the FEAST OF TABERNACLES.

## Welcome to the Feast of Tabernacles 2008

**A** HEARTY WELCOME to everyone to God's Feast of Tabernacles. Our prayers are that you and your loved ones experience a tremendous "spiritual high" at this year's Feast—one that will prove to be one of the most memorable, rewarding, and spiritually fulfilling experiences of your life. We have stretched ourselves this year to make available three sites to give the opportunity to attend a site that is near and affordable for most.

Monumental events have been taking place around the globe. We are reminded of the nearness of the impending tribulation, heavenly signs, and the Day of our Lord. These sobering events in the world make us ever more poignantly aware of the complete temporality of these "tabernacles" in which the new creature in Christ dwells. Just a few weeks ago we have the grim reminder of the terror the world lives in with the seven year anniversary of 9/11; the attack of the terrorism on our mainland. That day changed the course of history for ever. Just a little over a month ago the world held its breath as the financial crisis in America began spilling over "again" into the rest of the world. As I write this, all of the financial institutions in America holds its breath while congress labors through out the week for a 700 Billion Dollar bail out to keep Wall Street and mainstream America solvent. I believe that they will come up with some program to keep things working. But, it will only delay the inevitable. Ultimately it all will come crashing down around us eventually ushering in the return of our Lord and Savior Jesus Christ.

As we rejoice and fellowship together during the Feast of Tabernacles, let us keep continually in mind the desperate urgency for the Kingdom of God to rule over this earth; look with hope toward a world of the future where there will be no more divorce, crime, drug abuse, starvation, disease and war—but a time when we will share in putting down brutal naked aggression on the part of would be dictators and religious fanatics and so many others. We are looking forward to a time when Jesus Christ and the family of God will rule this world with a rod of iron, and the nations will not "learn the way of war anymore!"

Even as God sent His Son from His permanent home in heaven above to "tabernacle" in this human flesh, so all of us lease our permanent homes to gather together in little temporal dwelling places for the seven days of the Feast of Tabernacles and the Last Great Day picturing our brief sojourn in this human physical flesh, and the indwelling presence of the new "creature in Christ" which will eventually inhabit a permanent home in God's Kingdom!

Please remember to pray for the ministry who will be traveling during this year's Feast. As always, schedules are tight and we need to have the planes be on time for many of the flights to make this work. Pray that God will place His angels around these planes and men that all may have a successful and profitable Feast.

God Bless all of you at this year's Feast and the year to come,  
The Ministry of the Church of God, Ministries International

# Welcome to Myrtle Beach

Welcome, to all who have come to the Feast of Tabernacles, 2008.

Being here and honoring God in observance of these Holy Days is the highlight of all of God's Festivals during the year. Most of you know that the very first command that Jesus Christ will issue to ALL nations upon His return will be that they must come up to KEEP THE FEAST! What a wonderful thought — that everyone will come together to honor God the Father. Read it for yourself in Zech. 14:16, **“And it shall come to pass, that every one that is left of all the nations which came against Jerusalem, shall even go up from year to year to worship the King, The Lord of Hosts, and to Keep the FEAST OF TABERNACLES.”**

The information con-

tained in this brochure and additional information at the registration desk serve to better acquaint you with the area and scheduled events of this year's Feast. We hope this will help you to have the BEST FEAST EVER and enjoy what God has provided for us.

The Feast shows that we are dwelling in temporary homes, “the tabernacles” of this physical body. Peter wrote, “Yea, I think it meet, as long as I am in this tabernacle, to stir you up but putting you in remembrance; knowing that shortly I must put off this my tabernacle, even as our Lord Jesus Christ hath showed me. Moreover I will endeavor that ye be able after my decease to have these things always in remembrance” (II Peter 1:13-15).

If you have any questions or special needs during the Feast, we have

someone at the registration desk ready to serve you. Each day the desk will be open one hour before services and one-half hour after services except on the Holy Days. We encourage everyone to stop by to register. By registering, it helps the home office to update our current mailing list and enable us to contact you during the Feast in the event of an emergency.

We are also asking that everyone provide an email address if you have one. We currently have an email list with which we send out monthly eNews Alerts about The Work or other events which effect the church along with any local information from our host groups.

And as that old saying goes . . .

**MAKE THIS THE VERY BEST FEAST EVER!**

Our teachers have been planning lessons and activities and look forward to seeing ALL the children again this year. We will again have three different age groups in Sabbath School. They will be learning all about Joseph in the Old Testament of the Bible. We encourage ALL PARENTS to make plans for your child to attend the Sabbath School this year.
